SUBJ: Notice of Federal Interest in a Pollution Incident

Dear Mr. Omishakin,

This is to inform you that a pollution incident that has occurred or threatens to occur near the runway located at 1 Terminal Drive, Nashville, Tennessee, for which you may be financially responsible. Under federal statutes, the United States Government has an interest in this incident and may take appropriate action to minimize damages which are threatened or which may be caused by this incident.

The discharge of a harmful quantity of oil or a hazardous substance is a violation of the Clean Water Act, as amended. Under this act, the owner or operator of the source may undertake removal action. If he refuses to take adequate removal action, he may be held financially responsible for action taken by the Federal Government to remove the pollutant and adequately mitigate its effects. Removal is being done properly if it is performed in a manner consistent with the National Contingency Plan. If you undertake removal action, the adequacy of such action shall be determined by the federal On-Scene Coordinator (OSC). The OSC for this incident is Steve Spurlin.

So long as you are taking adequate actions in this matter, federal activity will be limited to monitoring the progress of your actions and providing guidance as necessary.

If it is determined that you are not taking prompt and appropriate action to clean up, contain, and remove the pollutant(s), federal response may be initiated. You may then be held responsible for costs incurred by the Federal Government as set forth in Section 311(f) of the Clean Water Act, as amended.

Should you require further information concerning this matter, please contact the OSC by telephone at (731)-394-8996 or in writing at:
